

SAARCSTAT

TECHNICAL SUB-GROUP ON SAARCSTAT ACTION PLAN BASE PAPER

The Heads of National Statistical Organisations of SAARC Member States met at Kolkata, India on May 26-27, 2005 and decided to form a statistical group namely, SAARCSTAT, for cooperation in the field of statistics. As decided in the meeting, a detailed SAARCSTAT Action Plan would be prepared by a Technical Sub-Group, which will be coordinated by India.

2. The Action Plan of the SAARCSTAT needs to be prepared taking into account its following objectives:

- (i) Support regional cooperation and initiatives in statistics,
- (ii) Plan and undertake policy initiatives for comparable and timely statistics,
- (iii) Harmonise classifications, concepts, definitions,
- (iv) Adopt international good practices,
- (v) Promote improvement in the official statistics, and
- (vi) Promote human resource development.

Action Plan 2005-2015

3.1 The Action Plan may be grouped into two categories (i) Short Term Action Plan and (ii) Long Term Action Plan. Following are the broad areas need to be included in the proposed Action Plan.
