01

No.	Name & Designation	Educational Background	Area of Expertise	Interested Field
01	Tunga Shiromani Bastola	M. Sc. Statistics M. A. Economics Dip. in Law Diploma agriculture statistics , M.Sc. in Economic and Social Statistics from USA	1. Involved in the planning, field operation, & analyses of results of agriculture census, population census and other household surveys, 2. Papers presented in many national and international workshops, seminars and conferences 3. Prepared sampling designs for various household surveys.	Sample design
02	Uttam Narayan Malla	M. A. Economics Post Graduate Diploma in Population Statistics	1. Involved as Statistical Officer in Census Planning , Pilot Census and Training of Supervisors during the National Population Census - 1981 (3 Years, from 1979 to 1982) 2. Involved as Statistical Officer in data collection, compilation and preparation of National Accounts Estimates for 9 years from (1984 to 1993) 3. Involved as Senior Statistical Officer in data collection and estimates of production, productivity of crops and livestock for 7 years from	Economic Statistics particularly National Accounts Statistics

			1997 to 2004. Supervised Economic Statistics Division (under which National Accounts Section, Agri- Stat (Section, Census of Mfg Est	
03	Radha Krishna G. C.	M.A. Demography, M.A. Statistics	Planning & Implementation of Censuses and Surveys	Population Census & Demographic Sample Surveys
04	Rabi prasad kayastha	MSc (Medical demography)	25 Yrs	Census and Survey
05	Kamala kant Lamichhane	Master in Economics	27 years	Environment Statistics and Satellite Account
06	Bikash Bista	Master in Economics (Econometrics)	20 years experience as Statistics Officer and Director in CBS	Economics & Environment Statistics
07	Paban K. Ghimire	M.Sc. in Statistics	Data Processing & Analysis 12 years	Data Processing Official Statistics

08	Nebin Lal Shrestha, Director	Master in Statistics	12 years	Social Statistics: Sampling design, data analysis and reporting
09	Dhundi Raj Lamichhane	M.Sc. (Statistics) Master of Public Administration - M.PA. (Management)	12 Years in: 1.Data Collection, Processing, Analysis and Presentation of Population and Agriculture Census 2. Survey design and Sampling 3. Program Analysis, Monitoring and Evaluation	Social Statistics (Research, Data Processing and Analysis of Data)
10	Shanker Lal Shrestha	M.Sc. Statistics	16 years working Experience in CBS	Sample Design and Data Analysis
11	Ambika Bashyal	M.Sc.(Statistics)	1.Working 13 years as a Statistical Officer involving in Ag. related Surveys, Agriculture Census and Population Census of Nepal 2.Working 4 years as a director of Agriculture Statistics Section, Central Bureau of Statistics (CBS), Nepal	Production and analysis of Agriculture Statistics.

12	Dilli Raj Joshi	M.Sc. (Statistics)	About 16 Years working Experience in Statistics related Different Sector.	Different types of Surveys.
13	Bharat Raj Sharma	M.Sc. (Statistics), Master in Demography	12 years	Census & Survey Management, Demography, Sampling, Data Analysis
14	Mahesh Chand Pradhan	M.Sc. (Statistics), Master in Geoinformatics	11 years	Census & Survey Management, Demography, GIS, Sampling, Data Analysis
15	Sushil Sharma	M.Sc. (Statistics)	12 years	Census & Survey Management, Demography, Sampling, Data Analysis
16	Mr. Ganga Ram Sapkota	M.A(Economics)	1. 8 years as assistant statisticians 2. five years as statistical officer from 2002	National accounts and its related activities.

17	Arun Gautam	Masters' Degree in Statistics	Worked as a Statistical Officer for about twelve years in Central Bureau of Statistics, Nepal.	Population and Social Statistics.
18	Jhabindra Prasad Pandey	M.Sc. (Statistics) M.A. (Population and RH Research)	10 years	Demography, Repro. Health Research
19	Naresh Khatiwada	M.Sc. (Biostatistics) M.Sc. (Applied Stat.) M.Sc.(Statistics) PGD in Development planning techniques	12 years	Applied Statistics, Clinical trials, Longitudinal data analysis
20	Ashok Bhattarai	M.Sc. (Economics)	12 years	Data Entry Program and analysis
21	Saroj Prasad Aryal	M.A.Economics with statistics	15 years in economic statistics, 5 yrs in AGIS	Economic statistics with GIS
22	Hem Raj Regmi	M.Sc. Statistics	9 years in social statistics, 4 years in agricultural statistics.	Sample Design
23	Buddhi Narayan Maharjan	M.A. in agri eco	20 years in agri stat	agri statistics

24	Jagu Lal Basyal	M.Sc. (Statistics, M.A. (Sociology,	<p>1.One year working experience on the data base management of irrigation system of official statistics of government of Nepal as a statistical officer.</p> <p>2.Eleven years working experience of data collection in the field of population, agriculture, manufacturing establishment and other household surveys and analysis of data under the Government of Nepal (Central bureau of Statistics, CBS) as a statistical officer.</p>	Research Work
25	Gopal Prasad Khanal	Msc Statistics	<p>1.Assistant Lecturer Statistics at Tribhuvan Multiple Campus (4 years)</p> <p>2.Statistical Officer at Central Bureau of Statistics (12 years)</p>	Fundamental of statistics, Economic statistics, National Accounts, Survey Methodology
26	Anil Sharma	MSc (Statistics)	12 Yrs	Household Survey, Sample design and Data analysis, poverty measurements

27	Ishwori Prasad Bhandari	MSc (Statistics)	12 Yrs	Household Survey, Sample design and Data analysis, pov- erty measurement
28	Shib Nandan Prasad Shah	MSc (Statistics)	12 Yrs	Household Survey, Sample design and Data analysis, pov- erty measurements
29	Satya Acharya	MSc (Statistics)	12 Yrs	Sample Survey, Poverty Statistics and Data Analysis
30	Jay kumar sharma	Master in Statistics	10 years	Environment Sta- tistics and Satellite Account
31	Lila Prasad Misra	Master in Statistics	12 years	Household Survey, Sample design and Data analysis, pov- erty measurements

32	Surya kumar pandit	Master in Economics	10 year	Environment Statistics, Satellite Account and National Account
33	Damodar Gnawali	M.Sc. Statistics	18 years working experience in statistical services	Sample Survey, Poverty Statistics and Data Analysis
34	Guna Nidhi Sharma	M.A. Economics	19 years experiance in statistical services	Trade Statistics, Data Analysis
35	Ritu Pantha	Master's in Statistics Master's in Population and Re- productive Health	1.Data Collection, Processing, Analysis & Pres- entation of Population Census 2.Survey design and Sampling Program Analy- sis, Monitoring and Evaluation	Research, Monitoring and Evaluation, Processing and Analysis of Data
36	Dinesh Bhattarai	M.Sc. (Statistics)	1.Worked as a Statistical Assistant in Central Bu- reau of Statistics, KTM, Nepal. Since July 1995 to Nov. 1998. 2.Worked as a Statistical Officer in Branch Sta- tistics Office Darchula, since Nov. 1998 to July 2000.	Sample Design Field Operation Data Analysis

3.Worked as a Statistical Officer in Branch Statistics Office Mohattari, since July 2000 to Apr 2003.

4.Worked as a District Census Officer in Mohattari for the National Population Census 2001, conducted by CBS, Nepal.
